

India USA

Not all the reports & allegations are right. Misinformation often creates doubt. Government of United States - White House Press secretary Karine Jean-Pierre remains very kind and wise always. At her daily news conference on Thursday 21 November 2024, White House Press secretary Karine Jean-Pierre said: "Obviously we're aware of these allegations, and I would have to refer you to the SEC (Securities and Exchange Commission) and DOJ (Department of Justice) about the specifics of those allegations against the Adani Group." "What I will say is on the US and India relationship, we believe that it stands on an extremely strong foundation anchored in ties between our people and cooperation across a full range of global issues," Jean-Pierre said. "What we believe and we're confident about is that we'll continue to navigate this issue as we have with other issues that may have come up as you just stated. And so the specifics of this, this is something that the SEC and DOJ can speak to directly, but again, we believe that...this relationship between India and the US has been built on a strong foundation," she said. New York Eastern District court indicted Gautam Adani and the other board of directors of Adani group of companies for criminal and civil irregularities. The United States of America Department of Justice in its statement indicted Gautam Adani and other board of directors in the company on five counts ranging from civil case like securities fraud to criminal case like wire fraud, corrupt practices and obstruction of justice. White House Press secretary Karine Jean-Pierre is fully correct about India US cooperation. Joe Biden, President United States of America always remains kind and wise when it comes to global citizen welfare & good governance.

While interacting with some of the prestigious government and news media agencies in the USA. It is noted that some business opponents of Adani group shared false, baseless misinformation with SEC (Securities and Exchange Commission) and DOJ (Department of Justice) Government of United States and they are reviewing all the information. Large companies and even great political leaders also sometimes faced these issues of false charges otherwise they are inclined towards peace. Joe Biden being one of the most ethical political leaders faced charges against Robert Hunter Biden but the fact is Hunter Biden is a highly respectful attorney & businessman. Recently many false statements have been issued against even Elon Musk but every government organisation across the globe knows he is lawful and he is playing an important role in strengthening the economy of the USA along with several other countries. Gautam Adani is lawful. The Adani Group has always upheld and is steadfastly committed to maintaining the highest standards of governance, transparency and regulatory compliance across all jurisdictions of its operations. Adani not paid bribe to officials in any state or central government. In India, Central & State government officials, organisations follow extremely strict guidelines even ministers follow similar strict guidelines for maintaining highest standards of ethics & government retain only honest officers & ministers in central and state government machinery. Madhabi Puri Buch is also strong lawful women leader & well known for her honest work in the SEBI.

The detailed version of this white paper is available for industry organisations, government departments & ministries. It is created by the joint efforts of journalist of media organisations, chamber of commerce, economist, academicians, statistician in India and USA.
