

WHITE PAPER SOLUTION FOR RUSSIA UKRAINE GLOBAL CONFLICT

The Office of the United Nations High Commissioner for Human Rights (OHCHR) verified thousands of civilian casualties during the Ukraine Russia Conflict. Outcome of conflict in general is never good and it gives no gain to any party involved in conflict. Russia and Ukraine both witnessed changes in GDP, Military Expenditure, Defence Expenditure. Central & Eastern Europe also witnessed changes in GDP, NATO Countries Defence Expenditure. Cost of handling, managing, safeguarding refugees being an additional challenge, ultimately conflict affects citizens of the country, their peace and their prosperity. The Ukraine & Russia conflict also affected the global economy. Global inflation, infrastructure of both countries are damaged.

Russia and Ukraine leaders Vladimir Putin and Volodymyr Zelenskyy both are correct when it comes to their individual mindset, vision for their country, their views for prosperity for their citizens and life on earth and its precious natural resources.

The solution was simple when leaders of both the countries Vladimir Putin and Volodymyr Zelenskyy will see the details of their past conversation and evaluate what changes can be done so that their difference in opinion can be converted into success, peace and prosperity for both the countries. Growth & development is always better than loss and destruction, sometimes at some point parties involved in conflict need to find a peaceful solution.

In India our Prime Minister Shri Narendra Damodar Das Modi is a sage and selfless leader who dedicated his life for the upliftment of the citizens of the country and then also served the citizens across the globe. The Central Government of India and Narendra Damodar Das Modi always support peace and peaceful discussion when it comes to global conflict between any country.

Power must not be used to cause harm to anybody, power and resources must be used to help people, uplift people, educate people, empower people, serve people and save humanity also to save the environment.

War never helps and affects the citizens of the country. Soon there will be peace between Russia and Ukraine. Both countries will witness growth, development, harmony, and a good future for their citizens and earth. Soon citizens of Russia and Ukraine will witness peace and prosperity under the esteemed leadership of visionary leaders Vladimir Putin and Volodymyr Zelenskyy.

We hereby respect Vladimir Putin and Volodymyr Zelenskyy and we will be sharing the detailed solution with the office of Vladimir Putin and Volodymyr Zelenskyy. We hereby assure both the parties that a ceasefire will bring peace. Detailed healthy discussion between Vladimir Putin and Volodymyr Zelenskyy is essential to bring peace for Russia & Ukraine.

The detailed original version of this white paper is created by the joint efforts of the leaders and policy think tanks in India, China, France, UAE, USA, Japan, Germany, Australia and also the government representatives of the office of Prime Minister, President in different countries who support peace, prosperity and peaceful life on earth.
